# Welcome!

At Globe Chain Capital, we help you grow and protect your wealth through smart and transparent investment solutions. Our team combines innovation, research, and expertise to create strategies that align with your goals.

**Your trusted partner for lasting financial growth.**

## Message from CEO

At Globe Chain Capital, our vision is rooted in one core belief that every investor deserves access to the tools, insights, and opportunities needed to achieve true financial independence. From humble beginnings, we have grown into a trusted global investment platform dedicated to helping individuals and institutions navigate the complex world of finance with confidence and clarity.

The global financial landscape is changing rapidly, shaped by technology, innovation, and evolving market trends. Our mission is to stay ahead of these changes by offering a broad range of investment opportunities from traditional assets such as stocks, bonds, and gold to emerging markets like cryptocurrencies and ETFs. With access to over 4,000 funds and assets, we ensure that every client finds a path tailored to their goals and risk appetite.

At Globe Chain Capital, we pride ourselves on the values of integrity, transparency, and professionalism. These principles guide every decision we make, from portfolio management to client relations. We believe in long-term partnerships built on trust, where our clients' success defines our success.

Our dedicated team of investment professionals, advisors, and analysts work tirelessly to deliver personalized, tax-efficient, and forward-thinking financial strategies. We combine human expertise with cutting-edge technology to provide real-time insights, strong risk management, and sustainable growth solutions. As we continue to expand our reach and services, our commitment remains the same to provide exceptional value, innovation, and results.

Whether you are planning for retirement, diversifying your portfolio, or seeking global investment opportunities, Globe Chain Capital is here to help you every step of the way.

Together, let's shape a future defined by prosperity, security, and financial confidence.

Bryce Dixon  
Chief Executive Officer,  
Globe Chain Capital

# About Us

**Incorporated:** 13th August 2016

**Company Name:** Globe Chain Capital

**Industry:** Investment & Wealth Management

**Focus:** Diversified Investment Strategies | Risk Management | Long-Term Wealth Creation

## Company Overview:

At Globe Chain Capital, we are a leading financial investment platform dedicated to delivering excellence across all areas of finance and asset management. We provide our clients with access to over 4,000 funds and assets listed on major global capital markets, offering a diverse range of opportunities for growth, security, and long-term success.

Our expertise covers investment banking, stock brokerage, fund escrow services, forex trading, gold and precious metal investments, cryptocurrencies, ETFs, and other leading global market assets. We also offer ISA investment services, pension and insurance bonds (domestic and international), and work with third-party providers such as self-funded personal pension managers, advisory professionals, and discretionary investment managers.

Through our integrated financial planning infrastructure, we deliver personalized portfolio management, lifetime cash flow modeling, and tax-efficient investment strategies that empower clients to achieve their financial goals.

At Globe Chain Capital, we combine innovation, professionalism, and integrity to help investors make informed decisions and build lasting wealth in an ever-evolving financial world.

## Our History

Globe Chain Capital is a private limited liability company established on 24th July 2015 and officially incorporated on 13th August 2016. Since inception, we have earned the trust and confidence of clients and investors across the globe a success built on our team's dedication, hard work, and integrity.

Leveraging our deep industry expertise and proven technology, we provide investors with a simple, efficient, and secure platform to invest and manage assets effectively. Our services include access to bank term deposits, major stock exchanges, and global capital markets, alongside comprehensive reporting, analytical tools, and personalized client support.

At Globe Chain Capital, we take pride in our team of over 72 highly trained service professionals who ensure every client receives top-tier guidance, transparency, and value-driven financial solutions.

### **Our Mission**

At Globe Chain Capital, our mission is to empower individuals and institutions to achieve financial freedom through smart, secure, and innovative investment solutions. We are committed to delivering exceptional value by providing access to diverse global assets, expert financial guidance, and strategic wealth management services.

Through integrity, transparency, and professionalism, we strive to build long-term partnerships with our clients helping them grow, protect, and sustain their wealth across generations.

### **Our Vision**

At Globe Chain Capital, our vision is to be a global leader in financial investment and wealth management recognized for excellence, innovation, and trust. We aim to create a world where every investor, regardless of background, has access to the tools, expertise, and opportunities needed to achieve lasting financial independence. We envision a future driven by technology, transparency, and strategic insight where Globe Chain Capital continues to shape the financial landscape through sustainable growth, client empowerment, and unwavering commitment to success.

### **Our Core Values**

- **Risk-Conscious Strategy:** We believe wealth should be built, not gambled. Our portfolios are designed with advanced risk assessment tools to ensure your capital is protected, even in volatile markets.
- **Integrity and Transparency:** We maintain open communication, full disclosure, and ethical practices. Trust is at the heart of every client relationship.
- **Innovation and Insight:** Our investment decisions are driven by data, research, and forward-thinking strategies to stay ahead in a fast-changing global market.
- **Client-Centric Approach:** Your goals are our mission. We tailor every investment strategy to your unique risk appetite, financial objectives, and life stage.

- **Diversification for Stability:** By spreading investments across sectors, geographies, and asset types, we reduce exposure to market shocks and create a more stable growth path.
- **Empowerment through Knowledge:** We educate and inform our investors, enabling them to make confident financial decisions for a secure future.

## **Our Operations**

At Globe Chain Capital, we leverage our sophisticated proprietary trading technology to respond swiftly to market trends and evolving investor demands efficiently managing changes without dependence on external systems. By directly overseeing every aspect of the investor experience, we ensure transparency, reliability, and precision in all trading and investment activities.

Our platform is renowned for its tailored technology solutions and comprehensive portfolio management functionality, designed to deliver efficient and flexible investment operations. We actively seek skilled, transparent traders who can generate substantial trading volumes and investment growth, supported by real-time market data from leading global analytics firms empowering our clients to make informed decisions and achieve consistent profitability.

Since our inception, Globe Chain Capital has maintained strong relationships with equity and financing institutions, fostering partnerships across multiple sectors to deliver a diverse portfolio of investment and financial services. Our expertise spans corporate finance transactions, including acquisitions, management buyouts (MBOs), growth and capital development, alternative capital solutions, real estate financing, and long-term funding strategies.

Through innovation, expertise, and trusted partnerships, Globe Chain Capital continues to set new standards in global investment excellence.

# Our Services

At Globe Chain Capital, we offer a diverse portfolio of financial and investment services designed to meet the needs of individuals, businesses, and institutional investors. Our goal is to provide innovative, secure, and profitable opportunities that support long-term financial growth and stability.

## 1. Real Estate Investment

Our real estate division offers strategic investment opportunities across residential, commercial, and industrial properties. We help clients diversify their portfolios and build long-term wealth through carefully selected, high-value real estate assets with strong returns and growth potential.

## 2. Oil & Gas

We connect investors with lucrative opportunities in the global oil and gas sector, including exploration, production, and energy infrastructure projects. Our experienced analysts ensure that each investment is strategically positioned for profitability and sustainability.

### 3. Medical Marijuana Investment

As the global medical marijuana market continues to expand, we provide investors with opportunities to participate in this fast-growing, regulated industry. Our approach focuses on ethical investing, compliance, and long-term profitability in health and biotechnology sectors.

### 4. Gold Investment

Gold remains a cornerstone of wealth preservation. We offer investors secure and flexible access to physical gold and gold-backed investment products, providing a hedge against inflation and market volatility while maintaining portfolio balance.

### 5. Retirement Planning

We help clients prepare for a financially secure retirement through personalized investment and pension strategies. Our retirement plans are designed to maximize savings, minimize taxes, and ensure financial comfort during post-career life.

## 6. Cryptocurrency

Stay ahead of the digital revolution with our cryptocurrency investment services. We offer access to major cryptocurrencies and blockchain-based assets, guided by expert insights and robust risk management to help clients navigate this dynamic market confidently.

## 7. Financial Planning

Our financial planning service offers a comprehensive approach to wealth management. We develop personalized strategies that cover savings, investments, insurance, and tax planning ensuring every client achieves financial clarity and lasting prosperity.

## 8. Stocks and Shares

We offer access to major global stock exchanges, enabling clients to invest in leading companies and emerging markets. Our stock trading services combine market expertise, research insights, and advanced tools to help investors build strong, diversified equity portfolios.

## 9. Loans and Grants

Through our financial support programs, we assist clients in accessing business and personal loans, as well as eligible grants for development projects. We work with credible financial institutions to ensure smooth processing, favorable terms, and secure funding solutions.

## 10. Forex Trading

We provide access to global currency markets through advanced trading platforms and expert analysis. Our forex services allow investors to trade major, minor, and exotic currency pairs with competitive spreads, real-time data, and risk management tools for optimal performance.

**A convenient way of investing that guarantees  
the growth of your finances**

At Globe Chain Capital, we provide a seamless and secure investment experience designed to align with your unique financial goals. Our flexible investment plans cater to both new and experienced investors, ensuring accessibility and convenience at every stage.

With expert guidance, continuous portfolio monitoring, and diversified investment strategies, we focus on sustainable growth while minimizing risk.

Start investing with Globe Chain Capital today, where your money works smarter, grows stronger, and builds your financial future with confidence.

# Dedicated To You

## Welcome to the Future of Investing

We are a Switzerland-based investment firm offering exceptional investment opportunities to clients around the world. At Globe Chain Capital, we believe investors should never have to choose between cost efficiency and performance potential.

Our approach combines the potential for out-performance of active management with the stability and cost advantages of passive investing, creating strategic, high-performing, and affordable investment solutions.

## Dynamic Investor Opportunities

With extensive expertise across income and alternative investments, Globe Chain Capital has built a strong reputation for innovation, responsibility, and performance. As one of the early adopters of responsible and sustainable investing, we continue to evolve with the global financial landscape while maintaining our standing as a trusted leader in asset management.

Our organizational structure encourages an entrepreneurial mind-set and a strategic, focused approach to investment. This enables our teams to leverage their individual experience, insights, and market strengths to identify new opportunities, develop emerging markets, and deliver lasting value to our clients.

## Built For You

**"We are committed to creating the most user-friendly trading investment experience for all our clients while achieving maximum profitability."**

### **VALUED PARTNERSHIPS**

At Globe Chain Capital, we partner with clients to create personalized investment and wealth management solutions tailored to their goals. Using our expertise and market insight, we design strategies that drive growth, manage risk, and secure lasting financial success.

### **TRUSTED HANDS**

At Globe Chain Capital, our highly trained professionals transform creativity, independence, insight, and trust into meaningful financial solutions and opportunities. With extensive experience and a forward-thinking approach, we anticipate and respond effectively to the evolving investment needs of our clients.

# OUR PEOPLE

**WE DELIVER HIGH PERFORMANCE WITH THE CLIENTS' PROJECTED SATISFACTION**

## **Inclusion**

Our culture encourages employees to feel comfortable bringing their whole selves to work.

## **Professional Excellence**

Our employees are passionate about the business and committed to our clients.

## **Continuous learning**

We offer our employees a diverse, flexible and transferable curriculum that allows for their continued development and growth.
